

符 号	トイレブース
姿 図	The drawing shows two views of a toilet booth. The top view is a side elevation with a total width of 2170 mm and a height of 1800 mm. It features a door on the left with a radius of 40 mm and a window on the right with a radius of 1010 mm. The bottom view is a front elevation with a total width of 2170 mm and a height of 1800 mm. It shows three vertical panels with widths of 600 mm each, separated by 150 mm gaps, and a 220 mm gap at the far right. A dashed line indicates a fold-down door mechanism.
使用ヶ所	男子 女子 便所
